

IV. JOURNALISTS' ENCOUNTER ON DECOLONIZATION

Under the terms of resolution 20/22, the General Assembly emphasized

confronting those Territories, as well as the extensive co-operation which the Special Committee and the Sub-Committee received from the administering Powers concerned.

During the exchange of views, the participating journalists and panelists
[redacted] should be able to enable the people of Namibia to

[The remainder of the page is almost entirely obscured by heavy horizontal black redaction bars.]

Noting further with satisfaction the active and important role being

for concerted efforts to be made to remove the remaining vestiges of colonialism in all regions of the world;

4. Strongly condemns South Africa's continued illegal occupation of Namibia

13. Requests the administering Powers concerned to adopt the necessary

technical fields and to discontinue all support to that régime until the
