INTERVENTION
DELEGATION OF REPUBLIC OF INDONESIA
PACIFIC REGIONAL SEMINAR

We continue to encourage dialogue between NSGTs and Administering Powers to support the work of the Special Committee.

~~Dialogue and processes must be carried out in an inclusive and credit~~

Not to mention the impact of the accelerating pace of climate change which posed an existential threat to NSGTs with small islands characteristics.

priority.

Rest assured, Excellency, that my delegation will continue to work together and contribute more to the works of the Committee in the discharge of its
