(Adopted on 8 October 2018)

The following updated guidelines on substance and procedure are intended to streamline and enhance the Committee's post!"isit follow!up, including b# shortening the time frames for drafting and re"iewing reports\$

! " (i) # \$ " #!

- The document should include, in a concise form, an anal#sis of the terrorism threat, trends, concerns, ris%s and challenges& %e# factual findings and e"aluations& recommendations, in a number of priorit# areas, regarding measures to enhance the effecti"e implementation of the "isited 'ember (tate s counter!terrorism measures& and, where applicable, the identification of priorit# technical assistance needs to be addressed b# technical assistance pro"iders and implementing partners in order to enhance the "isited (tate s capacities in countering terrorism in accordance with the rele"ant (ecurit# Council resolutions\$ The document should also identit# effecti"e and good e)periences and practices, as well as donor strength and focus, as appropriate&
- The "isit should be planned and conducted so that, during the rele"ant wor%ing sessions (in particular the wrap!up session held at the conclusion of the "isit), the "isiting delegation has the opportunit# to discuss its %e# factual findings, obser"ations and recommendations with the rele"ant authorities of the "isited (tate and see% the (tate s agreement to the prioriti*ed technical assistance needs\(^1\) + ith respect to 'ember (tates that lac\(^1\) capacit\(^2\) and are in need of technical assistance, the delegation should also see\(^1\) the "isited (tate s general appro"al to the initiation of immediate follow!up action\(^1\)
- The document should be submitted to the Committee for its consideration and adoption, usuall# at a formal meeting of the Committees nder certain e) pedited circumstances and where deemed appropriate b# the Committee, the report ma# be adopted under the no!ob.ection procedure with the understanding that CT/0 will deli"er a briefing on the report at a subseluent meeting of the Committee and that the 2AO will then ser"e as a guideline for the facilitation of technical assistance deli"er#, the preparation of the final report, and further wor% with the "isited (tate& and
- 40llowing the Committee's consideration of, and action on, the 2AO, CT/0 should immediatel# initiate follow!up acti"ities in the identified priorit# areas and %eep the Committee informed according!#\$

The 52reliminar# assessment and obser"ations6 (2AO), replacing the earlier terms (2C) and , would include an anal#sis of terrorism threat, trends, concerns, ris%s and challenges the identification and e"aluation of 'ember (tates progress, strength, shortfalls and effecti"e and good e)perience and practices and comments and recommendations for technical assistances
